"Clear in the still grey morning
The horn blown on the hill . . . . .
Siege Perilous is vacant yet
For any man to fill."

"Never for me to see the Cup?
Never to ride the Quest?
The horn calls on . . . Mount, lad, and ride,
And find your heart at rest."

Dear Sir:

We have your application for registration of claim to copyright in the sculptured model of a seal described as the "Official seal of the Payne Fund". In space 2 is the name of the copyright owner, given as follows: "The Payne Fund". On the photograph of the work, however, is shown a notice of copyright containing the initials J. R. S., from which it would be assumed that the copyright owner is John R. Sinnock. If this is correct and you are the legal owner of the right, then your full name and address should be given in spaces 2 and 3. If, however, the notice is in error and The Payne Fund owns the copyright, please give its full name in space 2, which seems to be "The Payne Fund, Inc".

We enclose another form for such amendment as may be necessary.

In reply, please refer to No. 36289.

Enclosure:
Form G

Respectfully,
